Civil War Living History Weekend September 11 and 12 Michigan's Heritage Park At Hilt's Landing in Whitehall

Welcome to Michigan's Heritage Park at Hilt's Landing. This is a joint project of the Lakeshore Museum Center, Whitehall Township and the Hilt Family. It is our goal to create a facility for public education that will allow visitors to walk through the history of our great State.

This Civil War Living History Weekend is the first of what we envision as an entertaining and engaging series of historical activities that will educate and delight young and old.

We would like to thank the people who have helped to make this weekend come to life including Company F of the Third Michigan Infantry and Viking Tool and Tutak Excavating for the use of their parking lots. We also appreciate the kind assistance of Amy VanLoon and the White Lake Chamber of Commerce.

We hope you enjoy your time here at the park and think of the brave sacrifice of those men and women of so long ago who gave us the freedom we cherish today.
